8"88" - SATURNO
V.06

The image is a composite of three distinct scenes. The top portion shows a space view of Saturn with its rings and Earth in the foreground. The middle portion is a semi-transparent white banner containing text. The bottom portion shows a snowy mountain range and a snowy landscape with a cabin.

La ricerca del bello passa anche da Saturno,
Aurora continua il suo percorso attraverso il Sistema Solare, ispirandosi
allo splendore dei Pianeti.

*The pursuit of the beauty also passes from Saturn, Aurora
continues its journey through the Solar System, inspired by the
splendor of the Planets.*
