THE
LORD
OF THE
RINGS™

September

The greatest fantasy epic of all time is the subject of the newest addition to Montegrappa's Cult Series: home to the world's most magical writing instruments. The rich universe of J.R.R. Tolkien's *The Lord of the Rings* is explored in intricate detail, with more than twenty, expertly crafted motifs woven into its design. With a replica of the iconic, golden One Ring as its centrepiece, *The Lord of the Rings Limited Edition* offers much to tempt aficionados of Middle-earth.

"Three Rings for the Elven-kings under the sky,
Seven for the Dwarf-lords in their halls of stone,
Nine for Mortal Men doomed to die,
One for the Dark Lord on his dark throne
In the Land of Mordor where the Shadows lie.
One Ring to rule them all, One Ring to find them,
One Ring to bring them all and in the darkness bind them
In the Land of Mordor where the Shadows lie."

One pen to rule them all. Our tribute to J.R.R. Tolkien's beloved trilogy is made with a level of craftsmanship to rival the great Elven-smiths of Eregion. The Lord of the Rings Limited Edition is a magical creation of lost-wax casting that celebrates imagination, creativity and heroic journeys at their finest.

Tolkien's epic fantasy is one of the most successful works of fiction in history, with more than 150 million copies sold, and close to \$3 billion in global box-office earnings. Several major readers' polls rank The Lord of the Rings as the best-loved book of all time. Enjoyed by readers young and old, it is celebrated in both literary and pop culture circles.

Armaments and regalia belonging to the Fellowship of the Ring make up the elements of the barrel. Gandalf's staff, Aragorn's sword and Gimli's axe are just some of the icons contained within a structure crowned by an emerald (Cubic Zirconia for Sterling Silver) set in the emblem of the White Tree of Gondor.

The cap's major features are a hand-enamelled Eye of Sauron suspended in the Tower of Barad-dûr, and a clip resembling Frodo's Elvish blade, Sting. In place of a conventional capband sits a removable replica of the One Ring, inscribed with Tengwar script and made from 18k Gold (gold-plate for Sterling Silver).
